NSSC- Meeting

Susan Gerberth-Jones: Nicholas IT

Discussion with Nicholas IT-

- Color Printer
  - Suggested having a back-up color printer
  - Suggested having extra toners on-hand (probably won't get those)
  - Universal E-print so that we can print on the library (color and black and white)
- Link-
  - Useful tool for students to use in Bostock Library
- AFS –Drive
  - Lock computer- not working
    - Students nervous about losing MP GIS models
    - Can login to locked screen without owner- ID
- Mapped Drives
  - Mapped Drives won't stay (this is how it is supposed to be)
  - Need to put shortcut into AFS Docs folder
- Adobe Connect
  - Web conferences
    - If you have a committee meeting, this is the ideal tool
- Generic Chat
  - Mebbo- host for all chat groups
- Add-ons to Firefox
  - Fox Marks- save personal book marks on firefox
