EWH at Duke gives students design project experience and teach practical electronics skills. There are projects available for all ability levels and members are presented with a great opportunity to learn from upperclassmen as well as professors. To learn more about the EWH Summer Institute, see the [EWH National website](http://wiki.duke.edu).

## Projects

<table>
<thead>
<tr>
<th>ECG testers</th>
<th>Oxygen concentration tester</th>
<th>Portable refrigeration</th>
<th>Pulse-oximeter</th>
<th>X-ray development timer</th>
</tr>
</thead>
</table>
