To get editing access to the Wiki

1. Log into http://wiki.duke.edu (upper right-hand corner) with your NetID and Duke password so you are recognized by the general Wiki server.
2. Place a comment at the bottom of this page with your name and NetID so Jared can add you to the EWH Wiki.

EWH at Duke gives students design project experience and teach practical electronics skills. There are projects available for all ability levels and members are presented with a great opportunity to learn from upperclassmen as well as professors. To learn more about the EWH Summer Institute, see the EWH National website

Projects

| ECG testers | Oxygen concentration tester | Portable refrigeration | Pulse-oximeter | X-ray development timer |
