EWH at Duke gives students design project experience and teach practical electronics skills. There are projects available for all ability levels and members are presented with a great opportunity to learn from upperclassmen as well as professors. To learn more about the EWH Summer Institute, see the EWH National website.

### Projects

- **ECG testers**
- **Oxygen concentration tester**
- **Portable refrigeration**
- **Pulse-oximeter**
- **X-ray development timer**
