

Found a mini usb-like key thing

Found- A tiny USB key-like thing in upstairs computer lab, it is attached to a light blue rubber case that says PNY and the key says 'weathernews' on it. I am not sure what it is but if you lost it I have it. Brooke MassaNickipedia - Lost and Found Posting Board

Instructions

1. Log-in. On any Nickipedia page, click on **Add News** at the upper right hand corner of the page.
2. You are now in the New News Post page. Type in a post title and enter your content.
3. **You must LABEL your news post OR ELSE it won't show up on the right lists.** Scroll down past the edit box, and you'll see a little "LABELS" sign with "Edit" next to it. Click Edit. Label your post with the short name of your organization, and a category. For Lost and Found, label it: *lost-and-found*
4. Click Save, and you are done!

Remember, do not post full email addresses or phone numbers - either just post your net-id or [hyperlink](#) your address.
