

# Lost Gray Cardigan Sweater

Hi All: I lost a gray cardigan today (Old Navy w/ buttons up the front). I think in the 3rd floor computer lab (or perhaps 247 or 2nd or 3rd floor women's bathroom... i'm scatterbrained today).

If it turns up, please let me know! Many thanks. Nicole- [njb13@duke.edu](mailto:njb13@duke.edu)
