

# Nickipedia - Calendar

Unknown macro: {calendar}

## Instructions:

1. Log in with your net-ID.
2. Put your mouse cursor over the calendar date you want to post in. A little "Add a new event" button will appear. Click on it. On your right-side menu bar, the box "Select Calendar" will appear.
3. Click on the drop-down menu, and choose the exact calendar you want to post on (academic, social, etc.). Click next.
4. Fill in the event details.
5. Click add, and you're done!
