

Work Study position open in summer (Part-time)

Hi all:

Anyone who is qualified for work study position and will be here in Durham in summer ?

Cell biology lab with Zebra fishes next to LSRC is looking for feeders for the entire summer.

Around 10-15 hr a week, \$9/hr. They will provide training and the tasks are super easy.

If interested, please contact Jim Burris <j.burris@cellbio.duke.edu>.
