ENV 298.86 - Ecosystem Markets

Course Stats

Instructor(s): Dr. Lydia Olander, Dr. Brian Murray
Units: 1
Semester Offered: NOT CURRENTLY OFFERED

Description

Insert official site links here.

Skills and Career Applications

Insert comments on the intent and career applications of this class. Comments/Quotes from Nicholas Alumni are especially valued.

Registration Advice

Insert comments here on how prospective students should approach registration for this class (hard to get into; sign up early; permission numbers; don't take if you already have heavy load; etc.)

Student Opinions

This space is intended to compile general comments from past students on the course. It will be judiciously moderated for extreme and unprofessional comments, but otherwise, it is open to a broad range of student feedback.

The Instructor's Take...

This space is exclusively for the instructor to broadly comment on his or her course, and respond to commonly received feedback, explain methods and approaches, and encourage student registration. Instructors: Please limit to 300 words, or link to a wiki page of your own creation to explain in detail.

Documents and Links

Insert links for official ACES/Nic pages, etc.
