

395 Nice one bedroom in Auburn Village including utility and independent bathroom

Want to rent out two bedrooms at second floor in a beautiful house located in Auburn village community, which is very safe and pretty. It is near southpoint mall, rtp, and about 15 minutes driving to Duke and UNC.

Price: One room for \$395 and two rooms for \$500 including an independent bathroom. Preference is given to people who want to rent two rooms. You can use one room as bedroom, the other as reading room or entertainment room. I would like to rent out these rooms to only one person, regardless of gender.

I'm a PhD student at Duke, quiet and clean. Contact me if you are interested.
