

Room Available Jan '10-May '10

Howdy.

I have a room in a 2-bedroom one bath house in the watts-hillandale neighborhood available. It is close to 9th street shops and a short bike ride to campus. If anyone is interested, I am looking to secure a roommate for Jan-May 10. The address is 2022 englewood. Rent it \$462.50 + utilities. I do have a indoor/outdoor cat and another is welcome.

Thanks!
Joseph
