

Houseshare

Female Roommate wanted to share my 2BR, 1 bath house in nice neighborhood close to downtown and duke. Rent is \$275 a month plus 1/2 utilities. Looking for someone who is clean, friendly, responsible, and fun to share the house with me. I have a cat but she doesn't like other animals around. You can move in as early as now or as late as january 1st. I require you sign a lease and pay first and last months rent upfront (length of lease negotiable).
