

1 room available in spacious 4bedroom 3bathroom house. Walkable and Bikeable to LSRC

1 room available now in spacious 4br/3ba. House and bedroom come fully furnished (bed, desk, chair, chested drawers, closet, etc). The house is located in a great neighborhood just between Cameron and Anderson and is easily walkable/bikeable to the LSRC and Duke Campus. You will be joining a house of 3 Nicholas School students, so grad students preferred. Rent & utilities total <\$500/month, generally around \$470. One of the roommates has a cat.

I really enjoyed living at this house last year and the roommates are great, but my fiance and I are moving and looking to sublet. Room available now through end of July, but you can rent for any desired period.
