

## Looking for housing next year?

Let me know if you are looking for a housemate for this summer and/or for next year. I have a friend at the law school who has a 3-bedroom with another person, and they're looking for a third. They're cool, and would LOVE to live with a vegetarian. Drop a line if you're interested: [jlm85@duke.edu](mailto:jlm85@duke.edu).

Hope to hear from you,
