

## **2 extra tickets for Canes vs San Jose Sharks-- Sunday 11-1**

Hey all:

If you're not too tanked after Halloween, come join a group of Nich Schoolers for a Carolina Hurricanes game. Two people dropped out last minute (MPs? Homework? what kind of priority is this??), so we have two tickets left. \$35 each, but I'm sure we can knock that down a bit for starving grad students.

There is a little pre-game festival at the RBC Center too, with hockey games and music. Game's at 1:30pm, and cars are leaving LSRC around 11:15.

It's RTP vs. Silicon Valley! Come out and hang.
